Resolution.—Passed and recorded.

2. Read Belur Amildar's report No. 66, dated 5th January last, stating that the musafirkhana at the junction of the Hassan-Chikmagalur and Banavar-Belur roads is of no use to the travelling public after the construction of the bridge across the Yagachi at Belur, and proposing the advisability of constructing a new musafirkhana close to the town with the materials of the said building.

Resolution.—As the building is of no use, the materials or the building as it is may be sold. The question of building a new musafirkhana in a more convenient position may be considered separately.

3. Read Government Official Memo No. 13477—L. F. 159-96, dated 18th instant, drawing attention to Subject No. 236, of the Dasara Representative Assembly Proceedings of October last, in regard to the opening of a road from Kattaya to Halekote.

Resolution.—This may be considered after the Hemavati bridge near Holé-Narsipur is completed. There are other roads under construction, and this can only be attended to after their completion.

4. Read Government Official Memo No. 13478—L. F. 159-96, dated 18th June 1897, in regard to the construction of a road from Halkere to Tiptur.

Resolution.—This is a desirable link, and the Executive Engineer may be requested to investigate the question and prepare an estimate

5. Read Government Official Memo No. 13242—Mis. 2627, dated 10th instant, drawing attention to Subject No. 234, of the Dasara Representative Assembly Proceedings of October 1896, regarding the employment of a midwife for the Kattaya hobli, Hassan taluk.

Resolution.—The services of the relieving midwife recently sanctioned for the district may be utilised, she being located at Shettihalli.

6. Election of members for the ensuing Dasara Representative Assembly.

Resolution.—The following members were elected :—

(1) Mr. J. G. H. Crawford. | (2) Mr. Ramashastri.

7. Read Hassan Taluk Amildar's Report No. 116, dated 27th March 1897, requesting payment of Rs. 157 from the District Funds for adjusting the advance drawn from the Treasury during the year 1891 for expenses connected with the Yoganarasimhaswami temple at Gorur as the charge is debitable to the District Funds as per late Chief Commissioner's Proceedings No. 2991-91—30, dated 2nd August 1880.

Resolved that as the sanctioned allotment under the head "VIII. Refunds" is spent, the advance be adjusted by re-appropriation from the provision under the head "VI. Conservancy and sanitary charges," in the current year's District Fund budget.

8. The President informed the Board that the marginally noted sums drawn as advances and spent on the occasions of certain car festivals or jatras remain unadjusted since a long time, (*vide* statement of advances received from the Comptroller).

		Rs.	a.	p.
1. February 1890.	Conservancy charges on the occasion of the car festival at Mavinkere.	16	13	8
2. July 1891.	Conservancy charges on the occasion of the car festival at Tirupati.	30	0	0
3. July 1892.	do do do	30	0	0
4. June 1893.	do do at Ramnathpur.	28	2	0
		104	15	8

Resolution.—As these charges are rightly debitable to the District Funds, they may be adjusted from the provision under the head "C. Civil charges, VI. Conservancy and sanitary charges" in the current year's District Fund budget of Hassan.

9. Read Executive Engineer's Nos. 1610, 1974 and 2293, dated 3rd May, 26th May and 19th June 1897, respectively, forwarding applications for re-appropriation of budget grant under "Original works and repairs, communication" and stating that if the re-appropriation proposed be sanctioned, the reserve grant for minor works under "Repairs, communication" will be increased by Rs. 4,000 which will meet the demand.

Resolved that sanction of Government be applied for to the re-appropriation proposed

10. Read Arkalgud Hospital Assistant's Report No. 140, dated 23rd instant, forwarding copies of remarks made in the Visitors' Book of the dispensary, and requesting that he may be allowed semi-malnad allowance as therein recommended.

Resolution.—Arkalgud does not come within malnad or semi-malnad taluks. The Board is therefore unable to accede to the request.

11. Read Government Official Memo No. 13621-8—L. F. 159-96, dated 23rd June 1897, in regard to the printing and distribution of Kanarese translations of Proceedings of Municipal and Local Fund Boards.

Resolved that as almost all the Non-Official Members of the Board are not English knowing men, it is necessary that Kanarese translations of Proceedings should be supplied to them; but as the establishment is insufficient, there being only three hands both for Municipal and District Fund Branches, Government may be requested to sanction an additional hand on Rs. 20 per mensem, the extra cost being met from the Municipal and Local Funds in equal proportions.

12. Read Belur Amildar's Report No. 151, dated 23rd instant, stating that a care-taker for the newly constructed 3rd class travellers' bangalo at Chikanhalli was employed on Rs. 7 per mensem, on 1st May 1897.

Resolution.—Approved.

13. The Executive Engineer proposes that the mileage allotment on the Dudda-Arsikere road should be increased from Rs. 90 to Rs. 150 per mile considering the heavy traffic on the road.

Resolution.—As this is the main railway feeder of the district, the Board is of opinion that the allotment may be enhanced as proposed.

F. 150-94, dated 28th January 1897, passing orders in regard to certain excess expenditure incurred in the District Fund budget of the Kadur district, and observing that in future all transfers made by the Public Works Department from one minor head to another, under the same major head, should be communicated to Government through the Deputy Commissioner.
